Emmanuel Colleges recognizes that a Master of Divinity degree can be a challenging commitment for potential students who are facing the realities of financing a three-year program. The MDiv Entrance Tuition Waiver aims to offset some of those financial costs and enable prospective students to begin the program, have a positive experience and provide the student with more time to make arrangements to finance years two and three.

### **MDiv Entrance Tuition Waiver**

Domestic MDiv students who begin in the Fall or Winter Session will receive a tuition waiver for a maximum of 10 credits taken within 12 months of their initial registration.

International students may be eligible for other types of student aid. Students admitted to the MDiv on a conditional basis may still be eligible for a tuition waiver at the discretion of the Admissions Committee.
