# Introduction

Throughout the Toronto School of Theology (TST), the member colleges agree on a common calendar of academic dates, a common course timetable, share educational resources, collaborate in instruction, determine common minimum academic standards and decide on many common policies and procedures. The Emmanuel College Conjoint Basic Degree and Certificate Student Handbook is the principal statement of these common understandings for basic degree teaching. The handbook provides specific steps and guidelines for our conjoint basic degree and certificate programs.

## General Information

### Credit Study

According to the Association of Theological Schools (ATS), basic degrees are professional degrees at the graduate level. At the University of Toronto, basic (professional) degrees are categorised as second entry undergraduate degrees. The basic degree programs are open to persons preparing for ordained ministry and other forms of service in The United Church of Canada, other denominations, or other religious traditions who wish to pursue theological study at the post-baccalaureate level.

Entry to basic degree programs requires a baccalaureate degree, but no specialist background in theology. Students without an accredited baccalaureate degree or its equivalent may be admitted to the MDiv or MPS degree if the school documents through rigorous means that those students are prepared to do master's-level work.

Graduate degrees, with the exception of the MA in Theological Studies, are post-graduate degrees and an MDiv, MA or MTS degree is required for admission. Application may be made for admission to the MA program on the basis of a baccalaureate degree.

### Non-Credit Study

Persons not in a degree program or a non-degree student may apply to audit individual basic degree courses at Emmanuel College.

Course instruction and readings are in English. Auditors must meet the minimum English language competency requirement and computer technical skills. Approval as an auditor depends on the permission of both the instructor and the college. Priority may be given to those with prior education formation in the course topic.

Courses that are audited will, under no circumstance, be assigned a grade; neither will they be considered for credit. Instructors will not mark written work for auditors. Auditors are expected to prepare for classes. Guidelines for participating in class exercises and discussions are to be established in consultation with the instructor.

Registration to audit a course is not done through ACORN, but directly through Emmanuel College. Course audits are **not** recorded on student transcripts at Emmanuel College.

# Course Enrolment

## Course Numbering

The first two digits of the course number indicate the college offering the course. The third letter indicates the program area (biblical, historical, pastoral and theological studies) within which the course falls. For an interdisciplinary course, the third letter of the course identifier is J.

Basic degree courses are numbered in the 1000 through 3000 range. 1000-level courses are introductory or foundational. 2000-level courses are general or survey courses that do not normally have prerequisites. 3000-level courses are specialized courses for which prerequisites are normally required.

## Course Weight

The eighth digit of the course code (the first letter after the number) indicates the weight of the course. Within TST a course is normally worth 0.5 credits and spans one session. Such courses are referred to as “half” courses and are designated within the course coding as “H”. Some courses have a weighting of 1.0 credit. Such courses are designated as “Y” courses. “Y” courses can be offered within one session or can span the Fall and Winter sessions.

## Term Designator

The last letter of the course code indicates the period within which the course is taught.

- F: first half of the Fall/Winter Sessions (September to December), or first half of the Summer Session (April, May and June)
- S: second half of the Fall/Winter Sessions (January to April), or second half of the Summer Session (July, August)
- Y: Fall and Winter Sessions (September to April), or first and second sub-sessions of the Summer Session (April to August, or therein)

## Delivery Method (Section)

- L0101: In-person or in-person with online components
- L0102 (if there is a second course section): In-person or in-person with online components
- L6101: Online asynchronous
- L6201: Online synchronous

# Course Selection

## Basic Degree Students

The following points should be observed with respect to course selection:

- Students are strongly encouraged to follow courses in the recommended sequence. Foundational courses earlier in the sequence help to prepare you for 3000-level specialized courses in the sequence.
- Required courses in any basic degree program must be taken at Emmanuel College. Course substitutions for required courses, unless they are explicitly indicated on the degree program course checklist, require prior approval from the Program Director. Students seeking permission for such substitutions must submit a written request along with the course syllabus to the Program Director and copy the college registrar.
- The Program Director's approval in consultation with the Vice Principal is required for courses taken outside of TST under Letter of Permission.

# Post-Baccalaureate Certificate in Theology and Interreligious Engagement

This Certificate in Theology and Interreligious Engagement (Cert TIE) is intended to provide a foundation in theological and practice-based approaches to religious pluralism and interreligious engagement through the exploration of religious texts and histories, spiritualities and practices, and theologies and theories of religions. It provides a means to understand and to appreciate religious diversity and to explore practices of fruitful dialogue between religious differences in the academy (through research) and in ministry and spiritual leadership contexts.

It requires seven courses and can be taken on a full-time or part-time basis. The focus of the conjoint certificate is twofold:

1. To provide the necessary academic foundation for those working in multi-faith contexts as well as those who are interested in developing this area for professional development – for example, hospital or school chaplains, social workers, etc.;
2. To provide necessary background in the area of religious texts and histories, theologies of religion and contextual practices for those interested in applying to various degrees such as the Master in Pastoral Studies, Master of Divinity, Master of Theological Studies or the MA in Theological Studies.

The program must be completed within four academic years. Students are required to take a minimum of 1 course each Fall and Winter semester. Students are required to be registered in consecutive academic years until completion, except for approved Leaves of Absence. No courses that are completed and counted toward the Certificate can be applied to another Emmanuel College or TST program.

## Master of Divinity: Thesis

The thesis counts as 2 credits in the MDiv program. It is to be completed in the final year of study. All theses need to reflect a sound methodological approach appropriate to the subject matter and discipline. The thesis should have a clearly stated research issue or problem, provide a careful description of the field, and offer a concise analysis that proposes a creative response to the issue or problem. The thesis should be clearly written, well organized and show evidence of good to excellent critical skills. For more information, please refer to the [TST Basic Degree Handbook](#) section on theses.

### Prerequisites

- Achieved a minimum overall average of 80% (GPA of 3.7) in completed courses.
- Completed at least 2 courses in the area of the thesis with a minimum grade of 83% in each.
- Demonstrated research skills appropriate to the subject area of the thesis.

### Standards

- A thesis proposal should be no more than 5 pages (double-spaced), with an additional preliminary bibliography of approximately 3 pages. Thesis proposal samples are available in the Registrar's office.
- The thesis will be 40 to 60 pages (12,000 to 18,000 words) including the bibliography.
- The proposal and thesis should follow standard academic form and style.
- Grading will be according to the TST basic degree grading scale.

### Procedures

- Near the completion of 20 courses, the student will consult with the MDiv Program Director to choose a subject area (Bible, History, Pastoral or Theology), and ensure that the basic requirements for undertaking the thesis have been met.
- The student consults with the academic advisor who then consults with the MDiv Program Director for guidance in identifying and choosing an appropriate thesis supervisor and second reader.
- The MDiv Program Director recommends to the Basic Degree Committee and/or Vice Principal the thesis supervisor and second reader.
- The Basic Degree Committee and/or Vice Principal appoints the thesis supervisor and second reader.
- The student works with the supervisor and second reader to finalise a thesis proposal.
- The thesis proposal and form are submitted to the Basic Degree Committee and/or Vice Principal for approval no later than May 30 prior to the final year of study.
- Upon approval, the Registrar registers the thesis using the course designator TSX3334YF/YS/YY. A copy of the approved thesis proposal and form are kept in the student's file and copied to the student, supervisor and reader.
- The student consults with the thesis supervisor throughout the completion of the thesis.
- The absolute submission due date of the thesis is March 30. The thesis advisor and second reader evaluate the thesis, and agree upon a final grade, which is then submitted to the Emmanuel College Registrar.

# Master of Divinity–Master of Pastoral Studies Combined

The Master of Divinity (MDiv) program and the Master of Pastoral Studies (MPS) Spiritual Care Stream can be combined for those interested in both programs.

The MDiv is intended to equip persons for ordained ministry in The United Church of Canada and other denominations, as well as other forms of ministry such as pastoral care, pastoral counselling, careers in the non-profit sector, Christian education and chaplaincy.

The Master of Pastoral Studies (MPS) in Spiritual Care Stream trains persons to provide spiritual care in religious communities or public institutions and, if a student completes units in Supervised Pastoral Education (SPE), is in compliance with the criteria of the Canadian Association for Spiritual Care (CASC).

## Program Summary

A total of 40 courses/credits, with required Emmanuel College Core Courses, Designated Electives, Open Electives. Electives may be used to develop professional or academic specialization in particular areas. The degree may be completed purely on a part-time basis, and up to 8 years are allowed for completion. # Master of Pastoral Studies

The Master of Pastoral Studies (MPS) is a professional degree. The twenty-credit program allows students to specialize in one of three streams with interreligious foci: Spiritual Care, Social Service and Worship and Preaching.

## Spiritual Care

Providing spiritual care in religious communities or public institutions and, if a student completes units in Supervised Pastoral Education (SPE), in compliance with the criteria of the Canadian Association for Spiritual Care (CASC).

Within the Spiritual Care stream, students have the option to apply for admission to the Certificate in Spiritual Care and Psychotherapy (SCP). Seats are limited and meeting the minimum admission requirements does not guarantee your admission. This certificate provides training for spiritual care and psychotherapy as a spiritual care practitioner (chaplain) in public institutions like hospitals and prisons or as a psycho-spiritual therapist (pastoral counselor) in counselling centres or other contexts; and prepares students with the educational course requirements for entry into advanced training toward certification in the Canadian Association for Spiritual Care (CASC) and for qualifying membership in the College of Registered Psychotherapists of Ontario (CRPO).

## Social Service

Providing leadership in religious or secular social service agencies.

## Worship and Preaching

Providing lay leadership in religious communities.

## Summary

# Master of Theological Studies: Thesis

The goal of an MTS thesis is for a student to demonstrate the ability to complete a substantial research project. The thesis counts as 2 credits in the MTS program. It is to be completed in the final year of study. All theses need to reflect a sound methodological approach appropriate to the subject matter and discipline. The thesis should have a clearly stated research issue or problem, provide a careful description of the field, and offer a concise analysis that proposes a creative response to the issue or problem. The thesis should be clearly written, well organized and show evidence of good to excellent critical skills. For more information, please refer to the [TST Basic Degree Handbook](#) section on theses.

## Prerequisites

- Achieved a minimum overall average of 80% (GPA of 3.7) in completed courses.
- Completed at least 2 courses in the area of the thesis with a minimum grade of 83% in each.
- Demonstrated research skills appropriate to the subject area of the thesis.

## Standards

- A thesis proposal should be no more than 5 pages (double-spaced), with an additional preliminary bibliography of approximately 3 pages. Thesis proposal samples are available in the Registrar's office.
- The thesis will be 50 to 75 pages (15,000 to 23,000 words) including the bibliography.
- The proposal and thesis should follow standard academic form and style.
- Grading will be according to the TST basic degree grading scale.

## Procedures

- Near the completion of 10 courses, the student will consult with the MTS Program Director to choose a subject area (e.g., Bible/Sacred Texts, History, Pastoral/Professional, etc.), and ensure that the basic requirements for undertaking the thesis have been met.
- The student consults with the MTS Program Director for guidance in identifying and choosing an appropriate thesis supervisor and second reader.
- The MTS Program Director recommends to the Basic Degree Committee and/or Vice Principal the thesis supervisor and second reader.
- The Basic Degree Committee and/or Director appoints the thesis supervisor and second reader.
- The student works with the supervisor and second reader to finalise a thesis proposal.
- The thesis proposal and form are submitted to the Basic Degree Committee and/or Vice Principal for approval no later than May 30 prior to the final year of study.
- Upon approval, the Registrar registers the thesis using the course designator TSX3334YF/YS/YY. A copy of the approved thesis proposal and form are kept in the student's file and copied to the student, supervisor and reader.
- The student consults with the thesis supervisor throughout the completion of the thesis.
- The absolute submission due date of the thesis is March 30. The thesis advisor and second reader evaluate the thesis, and agree upon a final grade, which is then submitted to the Emmanuel College Registrar.

# Master of Theological Studies: Theology, Spirituality and the Arts Stream

8 courses in Level 1 and 12 courses for Level 2, for a total of 20 credits, with required Emmanuel College Core Courses, Designated Electives, and additional Electives for the Stream. Electives are designed to focus academic content in the area of theology, spirituality and the arts. The degree may be completed purely on a part-time basis, and up to 8 years are allowed for completion.

**Students in this program must consult carefully with their academic advisors to select the courses that fulfill their program goals. This is especially important, given the 5 stream elective required for this program and the need to plan for the Final Synthesis Paper or Summative Exercise.**

# Basic Degree Administration

## Academic Advisors, Program Directors and Vice Principal

Basic Degree students are notified in writing after admission of their assigned Academic Advisor. Academic Advisors provide support and guidance in academic matters for students during the course of their studies at the college. They act as the primary line of response to questions of an academic nature, and, on a student's behalf, will consult with Program Directors, the Vice Principal or Registrar in the event of complex circumstances. The onus is on each student to ensure that all their program requirements are met and to work with their Academic Advisors to ensure all course selections are approved. The program checklists provided in this handbook will help you track your progress.

Academic Advisors will help you understand the requirements of your degree program, which required or elective courses you should take, and when you should take them. In the case of questions regarding your progress through the curriculum as a whole - including advanced standing and transfer credits, the thesis proposal process, petitions for extensions, leaves of absence, letters of permission, as well as the administration of academic policies - students can meet with their Academic Advisors who will bring their requests to the Program Director, Registrar and Vice Principal for consultation and decision as required.

With your Academic Advisor you can discuss general directions in your course planning (selection of courses, choice of a biblical language, thesis writing, etc.) and vocational discernment.

Since many of the courses you will be taking are required, it will be quite easy to figure out where to begin by looking at the program checklist. The Glossary of Terms and Definitions are also helpful references. If you are a part-time student, the decision may be influenced by when courses are scheduled. Be sure to contact your Academic Advisor to finalize course selection each semester. If your Academic Advisor is on leave or vacation, please follow up with someone in the main office for advice, or use your best judgment to register, and review your decision with your Academic Advisor before classes begin.
